

#35

David Ritenour

Deputy CISO and Managing Director, Cyber Defense
Wells Fargo

Public role source revisited. Employer/self sources and association/event biographies are distinguished; direct role acceptance is not established. **Current-role source**

Direct business email and telephone: not publicly verified.

Public professional route: named role biography. Personal LinkedIn URL remains unverified.

Source: www.fsisac.com

Work base: Not established from reviewed sources. Actual work base, DC access and willingness require direct confirmation.

Recommendation and rationale

Hold for own commentary/individual priorities. Major-bank deputy CISO and sector/advisory record; own views and advisory outputs remain evidence gaps.

Research rank #35 - Sector qualification. Final research recommendation for this pass; ISA selection and outreach approval pending.

Company capacity and proposed benefit

Major banking employer; current-role scope established, association budget unconfirmed. **Source: www.fsisac.com**

Proposed company benefit: Potential Wells Fargo case on response readiness; no personalized benefit validated.

Proposed executive benefit: Potential opportunity to share enterprise defense leadership methods.

What This Recruit Could Add to ISA

Possible cyber-defense and response assurance case; direct priorities and examples are still missing.

Source: www.fsisac.com

Handbook connection: Tool B 37-40; K 66-68. Proposed output and benefits require agreement. **Source: www.nacdonline.org**

Introduction and next decision

No named introducer established. ISA to designate an approved contact route; no private relationship inferred.

ISA to reconcile account status and route; then validate current remit, contribution, corporate payer and participation directly.

Policy history and board-selection fit

Policy evidence gap: Reviewed commentary supports an operating or governance perspective, but attributable testimony, formal policy input or a government advisory role has not been verified in this pass.

Current public roster; reviewed October 12, 2026 - David Ritenour | Global Board of Directors | FS-ISAC. FS-ISAC lists Wells Fargo deputy-CISO remit and prior public/private/government advisory service, including Enterprise Ireland. [Source: www.fsisac.com](http://www.fsisac.com)

Specific government appointment, dates and outputs are not established. No substantive own commentary qualified.

Benchmark: ISA recommendations, current ISA board practitioner profile, operating authority, company capacity, attributable policy work, concrete contribution, and portfolio balance. Corporate directorship alone does not determine priority.

Qualification status and ownership

Requirement	Evidence and remaining confirmation
Current role	Public role support; recheck directly before contact; direct confirmation pending.
ISA membership	Unknown current company/account and designated-representative status. Public board absence does not establish nonmembership.
Eligibility	Operating practitioner fit supported by research. ISA acceptance and employer designation pending.
Board feedback / introducer	No named introducer established. Introduction completion: not confirmed.
Corporate sponsorship	Published annual dues \$75,000; corporate payer, budget approver and written authorization not confirmed.
Executive interest	Not directly confirmed. Published interest in cyber topics is not membership interest.
Time / participation	Four meetings yearly, including two in Washington, DC and two virtual, plus agreed preparation. Availability, travel and term commitment not confirmed.
ISA output and benefits	Person-specific hypotheses documented; prospect and employer acceptance not confirmed.
Portfolio	Industry/expertise rationale assessed. Work base and DC access require direct confirmation.

[ISA public board / meeting baseline](#) | [Bylaws](#) | [Published sponsorship](#)

1631 owns researched case and source accuracy; ISA owns current membership/eligibility/introducer decision; employer/prospect must confirm funding, interest, availability and proposed output.

Image and contact provenance

Portrait: Name-matched image on named public biography. [Source: www.fsisac.com](http://www.fsisac.com)

Company mark: Current employer brand asset [Source: www.wellsfargo.com](http://www.wellsfargo.com)

Attributable commentary and evidence ledger

0 / 10 substantive sightings recorded. Depth target remains open; no biographies, awards or duplicate syndications added to fill the gap.

Substantive personal commentary is still missing. Obtain a source-backed operating and policy perspective before personalizing outreach.

Events and topic interest - not counted

Organizer listings and short reactions are research leads. They do not establish delivered remarks or ISA interest.

2021-10-06 | Data Science as the Foundation for a Cybersecurity Program **Source:** cyber.nyu.edu

NYU names Ritenour on a panel discussing data science in cyber strategy and talent development after a Jim Routh lecture.

Limit: Planned panel participation only; Routh's lecture description is not Ritenour's opinion. Historical employer not specified.
